The financial report was not given:

Old Business: The Booster club was going to have a waiver for the youths that rode the bus and were not adult supervised. Talked to Tom Freiberg and he said it was not necessary to write up and so Dennis talked to the adults that had youths riding and explained the responsibility of the youth while riding the bus and there was also a list of all that rode the bus and it was checked before leaving the game.

Scott Lepke was interested into getting a student representative from the Jr. high and high school to represent the classes to bring things to the booster club that they would like to have done or help get done. Scott was unavailable for the meeting.

New Business:

Dennis was getting quotes on a big screen TV to be put in the lobby of the gym for display of upcoming events, advertisement for businesses that purchased the Purple/White and Top Dog memberships and other ideas. Al is talking with Brian Field's about this project and where to display the TV.

Dennis will have \$1200 budget to purchase the TV.

Brent Palmer made a motion to approve the \$1200 and Mary Ellen 2nd the motion.

Heidi and Vicki brought up that there needs to be more polo shirts and other apparel available at the gym for sale. After Prom is selling t-shirts and sweatshirts and they have to box and unbox items at the gym to sell so it is a lot of work to do so. Booster club is thinking about building a moving storage unit that would house the items and could be brought out at games and could be stored at the school. Somebody will get in touch with the After Prom and see what can be done to make it work for both organizations.

Boys head basketball coach Mr. Klungseth requested ordering for C team, JV team and Varsity team matching warm ups. They have been ordered.

Motion to adjourn the meeting was made by Al 2nd and 2nd by Brent
Next Meeting is December 3rd at 7:00
