Old Business:

Update on chairs. It was discussed that Dennis received information from Ryan Fedderson with Max Enterprises to purchase the score table from Max Enterprises and sell advertising for the front of the score table 6 spots for \$600 a year each for six years. We would then get the chairs for free. With this discussed it would be best to go with the original plan and to purchase the chairs ourselves and use the score table we have now, just change the banner on the front. Dennis and Michelle will purchase the chairs as originally planned.

The flags are here. Craig Akland has the brackets made. Sioux Steam will powder coat the brackets and Jay from the City will put the flags up.

Banquet will be Tuesday, May 18th. We will have Central Catering do the food probably have Chicken & Ham and have 4 lines at the buffet. We will try to keep coaches to a minimum. We will seat all kids and coaches up front with parents in the back, all kids will stand up front and their names will be called, all applause will be held to the end. T-shirts will be made for seniors. Powerpoint will be running while eating and turned off for the speakers.
