

BOOSTER CLUB MEETING  
FEBRUARY 3, 2010

Present: Mary Ellen Saugstad, Stuart Carlson, Al Hoines, Kent Anderson, Kari Schroedermeier, Dennis McKelvey, Kelly McKelvey, Michelle Weatherton, Patti Bickett

Minutes approved by Al, 2<sup>nd</sup> by Dennis.

Treasurers report approved by Al, 2<sup>nd</sup> by Mary Ellen.

Old Business:

The School is looking at purchasing a demo clock for Cross Country meets and can also be used for Frostbite 4, we approved \$1500 last year for this purchase.

We will be putting a time line on approved items to buy. Kari will add on the Treasurers Report a date that the item to purchase was approved and give them a year to purchase the item. They will have to purchase it within the school year and if they still had not purchase the item, they will have to reapply to get the item in the budget for the next year.

Scholarships are awarded to students upon completion of 1<sup>st</sup> semester as a full time student and will be paid out at the 2<sup>nd</sup> consecutive semester of school. If they do not attend their 2<sup>nd</sup> semester of school, there is no scholarship money paid out.

Banners for the school parking lot are here, just need to have the brackets made and put on the polls.

March 19<sup>th</sup> is the deadline for getting information in for the school newsletter.

The room for chairs has been resolved. The players will be seated on the visitors side in chairs, there will be 3 less rows of bleachers. The bleachers will lock in place so they will not be a hazard. The chairs will be a black frame, purple seats, and two colors white and black. The chairs will have to be ordered by May to get here in time for next season, motion by Kent and 2<sup>nd</sup> by Al to have Dennis and Michelle go ahead and purchase 40 chairs.

New Business:

Dylan Anderson made All Star Football, asking for Booster to donate to Dylan.

Copy of Booster Club By Laws were handed out.

In going through the By Laws we noted it would be beneficial for all coaches to be Booster club members. It would be nice to have coaches attend at least 2 meetings a year, maybe the Booster could host a "Booster Club Coaches Meeting" before school starts in August to get their input on the new school year and have everyone there before they get busy with the new school year activities.

Coming events:

April 20<sup>th</sup> - Booster Social/Meeting at Bridges after the track meet. The social will start at 6:00 we will serve tavern and chips.

Looking at possibly moving the Banquet to May instead of April 26<sup>th</sup>. We will do senior shirts.
